Birkdale North School by-election update 12th November 2021

Kia ora tātou

The Ministry of Education have provided us with new by-election dates, as follows:

Close of supplementary roll - 24th November

Close of nominations - 26th November

Voting papers issued by - 1st December

Election day - 29th December

Accept postal votes - 3rd January

Count votes - 4th January

Take office - 5th January

So, that provides our community with 2 weeks notice until the close of nominations, at noon on Friday 26th November.

Also, due to the effects of lockdown and the delayed election process, a new returning officer has been appointed. The new returning officer is Marion and the board would like to thank her for offering to help complete our by-election process. Furthermore, a big thank you to Saskia for all of her work in setting up the by-election and getting us started. Ngā mihi ki a kōrua.

Marion will provide an update to our school community on the 26th November.

Election announcement 11th November 2021

Kia ora koutou.

The school has just been informed that the election processes for the Auckland area have resumed and that nominations close at noon on Friday the 12th of November (tomorrow).

We were told that we would have 2.5 weeks notice once we reached level 2. However, that never eventuated and now we've been given little notice.

The school is seeking a two week extension to give our community the chance to get their nominations in with a reasonable notice regarding the deadline. This may or may not be granted, so please get your nominations in if you are keen to help govern our school.

Currently, we have one nomination, for two vacancies.

We will keep you informed on any outcomes.

Ngā mihi mahana

Important message from the Returning officer - Friday 27th August 2021:

Due to the current lockdown, the Ministry of Education has decided to put a pause on all elections.

This includes the acceptance of nominations.

If you do send in nominations these will be received and filed, however, we will not be able to accept them until the election process resumes.
