Birkdale North School Board

Tuesday 21st September 2021

Tēnā tātou katoa,

We trust you and your whānau are all well, keeping safe, and maintaining good mental health as we navigate through these challenging times.

The board would like to update you all on a few matters related to governance.

First, we would like to let our community know that the public board meeting scheduled for September 23 has been postponed. A new date will be set and announced to the community once we have the appropriate environment to do so. If that environment does not come soon enough, then we will meet via Zoom. If this transpires, there will be at least 48 hours notice to the community for the new time and date. The Zoom link will be shared for any members of the community who are interested.

Second, we would like to inform our community that the board held a special meeting on August 23 to discuss a personnel matter.

Third, regarding school board elections, the Auckland region is still on hold at the moment. An announcement by the Ministry of Education will be made when we reach level two

COVID restrictions, to guide the commencement of elections in the Auckland area. We will keep you posted as the information is released.

Finally, a big thank you to all the school staff and teaching assistants for all of their work during the current lockdown, continuing to provide learning for our children during these disruptive times.

Nō reira, stay safe and hope to see you all at school sometime soon.
